SAVE THE DATES!

May 12th Beach Blast - Our club's signature project and Mr. Keffer's dream come true. Please support this activity by being a bus captain, sending the bus team off on the trip, helping when the group gets back in town, or assembling the food/drinks on Friday afternoon. Whatever you can do to help – we need you to make the project a success. If you are a bus captain, you can bring your spouse or child with you to share the experience with them. As was mentioned at one of our meetings, it's also a good idea to bring a few PG movies to watch on the bus. I'd recommend your beach chair and some sun screen. We partner with the local Rotary Club in Myrtle Beach on the event – they make delicious hot dogs and chili! The kids love it and it's a perfect way to spend the day. Contact Greg Close or Melanie Cranford to help!

June 9th World Tasting Tour - our Third Annual Wine Pairings Dinner & Silent Auction. If you have items you'd like to donate for the action, please bring them to a club meeting and give them to Hadley Perry or Leigh Jenkins. Tickets will be available
